Construction project on US 85 through Alexander begins May 7

A construction project on US 85 through the city of Alexander will begin Monday, May 7. project will include work to the water lines and storm sewer system, curb and gutter, lighting, and asphalt work. The project will be done in four phases and is expected to be complete in mid-October.

During Construction:

- Speeds may be reduced in work zone
- A width restriction of 10 feet will be in place
- Flaggers will be present when needed

Motorist need to be aware of workers and equipment in near proximity to traffic through the construction area.
